Shed Requirements

All sheds installed on the Waterview Condominium Association after April 17, 2014 must meet the following requirements:

- A request in writing, submitted to the Management Office, and then approved by the Board of Trustees prior to installation.
- Only one (1) shed per unit.
- Size Requirement – No higher than the top railing of the back deck. No wider than the fire wall to the side of the back deck.
- Shed must be situated next to the back deck.
- No wood or metal.
- Must be removed prior to selling unit.
