Please see the attached October 7, 2018, Board Meeting minutes in which a condo fee increase was approved effective January 1, 2019.

1 Bedroom	-	\$315

The Board is hopeful that this increase in the monthly assessments will not impose too great a financial burden on you. If you should have any questions, a Board Member will be available to discuss these items with you any Tuesday from 9:00 to 11:00 AM (by appointment).
